FLOATING HOLIDAY POLICY—Transition Period

STATE OF DELAWARE
FLOATING HOLIDAY POLICY--Transition Period
July 1, 2010—December 31, 2010

Floating Holidays will change from fiscal year to calendar year effective FY 2011. To make the transition:

- Effective July 1, 2010 all current benefit eligible employees will be eligible for one floating holiday to use prior to January 1, 2011.

Purpose

The purpose of this policy is to establish consistent practices across State agencies with the transition period of floating holidays from fiscal year to calendar year. The floating holiday provides employees a paid leave day taken at a time chosen by the employee, and subject to approval consistent with other types of leave.

Policy

Beginning July 1, 2010, benefit eligible employees on payroll as of June 30, 2010, shall receive one paid floating holiday that must be taken prior to January 1, 2011. Employees who work a 37.5 hour schedule shall be entitled to 7.5 hours for each floating holiday and employees who work a 40 hour schedule shall be entitled to 8.0 hours for each floating holiday. For permanent part time employees the floating holidays shall be prorated based on the percent of full-time hours.

Employees hired on or after July 1, 2010 shall receive a floating holiday based on their hire date as follows:

</tr>
<tr>
<td>October 1 – December 31</td>
<td>0 floating holiday for the remainder of the calendar year</td>
</tr>
</tbody>
</table>

*Employees shall automatically be entitled to two floating holidays on January 1 following their hire date.

1. It is recommended that floating holidays be used in whole day increments; partial day usage is at the agencies’ discretion.
2. Floating holidays are pro-rated time for benefit-eligible, part-time employees.
3. Employees must submit a request in advance following the same procedures used by the agency for requesting leave.
4. Employees will not be paid for unused floating holidays when they separate from employment.
5. Unused floating holidays will not carry forward from one calendar year to the next. There are no exceptions to this rule.
6. Merit Rule 4.14 does not apply to floating holidays.
7. Floating holidays used to supplement short-term disability or worker's compensation will apply in whole day increments with no residual.
8. Floating holidays may not be donated to another employee.
9. Floating holidays are paid at straight time.
